“Tampering with Heaven’s Constitution” Lesson # 13 of 30

Let’s check our understanding...

1. The seventh-day Sabbath is an eternal memorial of Christ’s creative and redemptive authority.
 True False
2. Daniel saw 4 beasts symbolizing 4 world empires (draw lines)

<u>(Symbol in Dan 2)World Kingdom</u>	<u>Daniel 7</u>
(Head of Gold) Babylon	Leopard
(Chest of Silver) Medo-Persia	Lion
(Belly of Brass) Greece	Dragon-like beast
(Legs of Iron) Rome	Bear
3. The fourth beast of Daniel 7: (check all that apply)
 had iron teeth
 arose during the 10 horns (kings) (the 10 toes of Daniel 2)
 produced a powerful “little horn” that dominated the world
4. The focus of Daniel 7 is this “little horn” power that:
 rose to world dominance after the initial fall of Rome
 was different than all the other world kingdoms in that it was both political and religious
 oppressed the true followers of God
 replaced God’s truth with human traditions
 speaks blasphemous words against God
 thinks to change God’s times and Gods’ Laws
 meets it’s doom with God’s final judgment
5. The change of the day of worship from Sabbath to Sunday:
 was prophesied about long before it occurred
 was a compromise between pagan sun worship and Christianity
 is proof of papal authority to control most of the religious world
 is authorized in the Bible in honor of the resurrection of Jesus

What do you think...

Why does God allow this blasphemous power to prosper and attempt to change His holy Sabbath? _____

Dear Lord, I choose to give You my obedience and loyalty as a sign of my deep love for You. I desire to be faithful to Your law rather than the commandments of men. I acknowledge You as supreme Lord and Master of my life.
